ABOUT US

Girls Islamic Organisation of India (GIO) is a student organisation for girls started in the year 1984.

GIO is actively working towards achieving the following goals:

1. To liberate girls and women community from the shackles of superstition and traditional dogmas by providing them both islamic and modern education.

2. To cultivate values and ideal among the coming generation on islamic lines.

3. To educate with islamic etiquettes and to establish it in their daily lives.

4. To inculcate the young girls with the right islamic knowledge and perspective.

We are an organisation of female students in India working among girls to establish a morally upright society based on Islamic principles, The nature of GIO is to fine tune the girls on the grounds of Islam.
